

Are you a safe passenger?

Before you begin, complete the 'Are you a safe passenger?' worksheet

As a class, read through the bus travel student code of conduct on the Transport for NSW website.

Using the points on this web page as a guide, brainstorm with your class to develop your own school code of conduct for travelling on buses and private transport to excursions and sporting carnivals.

Think about how you could use your code of conduct. You could;

- Publish it on your school website
- Ask to make it part of your school's safe travel policy
- Ask students to sign an agreement to adhere to the code of conduct before going on excursions and to sporting events
- Create a short video to teach other students about passenger safety
